Certified Financial Fiduciary*

As you all know, Midwest Financial Group (MFG) would like each of you to know that the safety of our staff, our clients and their families, and ultimately our communities will always come first. Due to the COVID-19 situation, we feel at this time it is in the best interests of all that we cancel all appointments for this upcoming week, March 16-20.

Please be rest assured that we will re-evaluate this situation at the end of this week when we hopefully have more information available to us to determine how to move forward at that time. By closing the office to outside visitors we are hoping to keep all of our offices open which makes it more efficient for our advisor and staff operations. We will continue to evaluate our operations as more information becomes available.

We will call everyone we are having to cancel this week and we can do a phone session during our scheduled time if you choose, or wait to reschedule and we will work at getting together as soon as you are comfortable doing so.

We ask that if you are not feeling well or have recently traveled to a high risk area that you reschedule your appointment in no less than 14 days for the safety of our team members, our valued clients & guests and of course of all our loved ones.

If you have any concerns, please contact us at (608) 807-4775. We wish continued good health for you and your family members and look forward to continuing to serve you all while we get through this together!

Be well...be prosperous!

Midwest Financial Group
