President/CEO

MIDWEST FINANCIAL GROUP

March 19, 2020

CERTIFIED FINANCIAL PLANNER®
Certified Financial Fiduciary*

As concern continues to mount around coronavirus (COVID-19), Midwest Financial Group is closely monitoring developments. We rely on guidance from Centers for Disease Control & Prevention (CDC) and the World Health Organization (WHO) to make informed decisions that will allow us to continue to serve you safely and reliably. Our clients, communities, partners, and employees remain our priority during this challenging time.

With this in mind, we are taking the precautionary step to temporarily suspend all face-to-face meetings beginning immediately.

All MFG locations, including, Madison-East and Madison-West locations remain open during regular hours; however, we are suspending all in-person services at this time.

This change and/or our potential need to close the offices and move our staff to remote operations will in no way hinder our ability to provide service to you, or to continue to support your needs. We remain committed to your financial success now and in the future.

We encourage you to use the Investor360® to access and manage your accounts from home. With online access, you can view balances and positions as well as performance, for all your accounts held with us in one easy-to-read consolidated report. You can also see recent transactions, link other accounts, review important facts, eliminate paper statements, and much more. Sign up now to see your portfolio online and start viewing your accounts today.

We will continue to monitor public health guidance and look forward to re-establishing normal services as the need for social distancing diminishes. Thank you for your understanding and patience.

Be well...be prosperous!
